WORKING PLANS

For a nominal price you can secure complete working plans for homes shown in this book.

Plans furnished contain 2 complete sets of blueprints, 2 sets of specifications, 2 contract forms and a complete lumber material list.

Plans are drawn at one-fourth inch to the foot, details at a larger scale. Plans contain all floor plans, four elevations and detail section drawings.

All plans are prepared in Architects' offices and therefore assure you complete layouts, good framing and complete design.

Blueprints are made a very convenient size for handling, 15 x 30 inches for the average house.

Our architectural service is complete, and enables us to prepare any revisions or special plans to order at short notice and at very reasonable prices.

Plans for any house in this book can be furnished with basement plan and cellar stairs upon request.
